Re: Freedom of Information Act Request EPA-R9-2015-009491

Dear Ms. Walls:

This is in response to your Freedom of Information Act request regarding all documents and information reflecting the results of the testing or examination of the catalyst and exhaust system in EPA's inspection of a gasoline-powered motor scooter imported into the Los Angeles/Long Beach Seaport of Entry in April, 2015.

Responsive, releasable documents and invoice (if applicable) have been uploaded to EPA's FOIA Online system found at <https://foiaonline.regulations.gov/foia/action/public/home>. Some redactions were made to information that was non responsive to your request. To access the documents, reference your FOIA request as EPA-R9-2015-009491.

If you have any questions, please contact Nathan Dancher of this office at 415-972-3482.

Sincerely,
